Dear Madam or Sir:

Due to a communication error within our campaign, our bookkeeper was not aware that a contribution to Abraham Senate 2000 originally written on April 5, 2000 was delivered to that campaign. The error was discovered when the check was cashed this past month.

We are amending our Pre-primary report to reflect this Other Disbursement.

If you have any questions, please call us at (205) 414-0023.

Sincerely,

Wray Pearce
Treasurer
